# CII Level 3 Award in Long Term Care Insurance Qualification specification

Thank you for considering study with the CII. This specification summarises the purpose and the content of this qualification to help you decide whether it meets your learning needs.

The qualifications section of the CII website, unit syllabus documents and CII policies provide further detail on the features summarised here.

## Qualification overview

The **CII Level 3 Award in Long Term Care Insurance** is a single unit qualification that develops knowledge and understanding of long term care cover, including legal, taxation and regulatory issues and the responsibilities of local authorities.

### Who is this qualification for?

This qualification is particularly appropriate for:

- Retail investment advisers looking to specialise in long term care insurance
- Paraplanners, technical consultants and staff in related support roles who want to get a better understanding of long term care insurance.

### Benefits for individuals and employers

When held alongside any of the following CII qualifications, or equivalent, the Award meets the FCA's appropriate qualification requirements for advising on long term care insurance products:

- Diploma in Regulated Financial Planning, or
- Diploma in Financial Planning.

It also supports financial advisers and those in related roles in gaining an understanding of the long term care environment and its impact on financial planning.

### Summary of content

The single unit of this qualification introduces and assesses knowledge and understanding and application of the:

- definition, purpose and scope of long term care contracts and how they interact with State benefits and State-funded long term care;
- main features and functions of the different types of contract that can be used to fund long term care and how they can be arranged to meet an individual's needs;
- principal legal, taxation and regulatory issues that are relevant to advice on long term care insurance;
- importance of regular reviews to ensure that long term care insurance cover remains appropriate.

## Entry and professional completion requirements

### Entry requirements

There are no entry requirements for this qualification.

## Additional completion requirements

There are no additional completion requirements for this qualification.

However, in order to meet the FCA qualification requirement for advising on long term care insurance products you will also need to hold one of the following qualifications:

- Diploma in Regulated Financial Planning, or
- Diploma in Financial Planning.

## Qualification structure

### Single compulsory unit

You will need to complete the following unit.

(CF8) Long term care insurance

15 CII Credits

## Learning and assessment

### Learning materials provided

For units in this qualification, students typically have access to the following materials as part of their enrolment:

- Study text (digital only or printed and digital) with online updates
- Online support including exam guide via RevisionMate

Additional or different resources may be available for some units.

### Study time

Specific study time guidelines are provided for each unit on its webpage and in the CII qualifications brochure.

The notional Ofqual 'Total Qualification Time' for this qualification is 70 hours\*. This represents the time a student might typically take to complete the qualification.

---

\*'Total Qualification Time' is a term that awarding organisations are required by Ofqual (the qualifications regulator in England) to use to describe the size of qualifications.

## **Assessment format**

Each unit is assessed by a single multiple-choice on screen exam, exams are available weekly at UK and non-UK online exam centres or via remote invigilation. The qualification award will be graded pass/fail.

The nominal pass mark for this qualification is 70%. Please note, pass marks may vary from examination to examination to take account of the relative difficulty of examinations presented to candidates, ensuring that the pass standard remains constant.

We regularly update our qualifications, units and assessments to maintain industry relevance and assessment standards.

## Further information on learning and assessment for each unit

Please ensure that you refer to the individual unit syllabus for unit-specific details:

- learning outcomes and assessment criteria
- further reading and resources
- important notes, such as the legislative position that will be assessed

This is available on each unit webpage, accessible from the [qualification webpage](#).

Please also select your unit from the webpage to find out about any unit updates.

## Important assessment policies

Details of terms and conditions which apply to candidates entering for assessments with the CII are set out on the CII website. By entering any assessment with the CII, you agree to be bound by these terms and conditions and our [assessment policies](#).

## Fair access to our qualifications

The CII acts at all times to ensure that no unfair barriers apply to those seeking to gain the qualifications it offers. If, due to disability or illness, you may require adjustments in order to access an assessment, please read the [Qualifications accessibility and special circumstances policy and guidance](#) and contact the CII Customer Service team as soon as possible to discuss how we can meet your needs.

## Qualification Fees

We are required by our regulators to publish a standardised set of qualification fees and these are set out below. The best way for you to calculate the cost of completing a qualification is by looking at the unit shop pages for the units you are planning to take.

The terms, 'Standard Qualification Fee', 'Package fee' and 'Associated Learner Fees' are defined by our regulators, Ofqual, CCEA and Qualifications Wales, to create consistency between UK-based awarding organisations. It is a regulatory requirement to illustrate our pricing in this way. The total price paid will depend upon specific pathway chosen, membership status and local currency. Further pricing information by unit and component relevant to your specific pathway remains available on your qualification webpage. The table below describes what each fee indicates.

Fee	Description
Standard Qualification Fee	The standard total fees payable for the assessment elements of the core qualification throughout a typical course of study.

Fee	Description
Package Fee	Where applicable, the total of the fees payable for mandatory learning materials elements of the core qualification throughout a typical course of study.
Associated Learner Fees	Additional fees for optional services payable: <ul style="list-style-type: none"> <li>• at the learner's discretion.</li> <li>• in specific circumstances only; or,</li> <li>• for additional study requirements prior to completing this qualification.</li> </ul>

Please note these fees are based on non-CII members taking the qualification in the UK, following a typical route to completion, using digital only options where available. Costs may vary for those residing outside the UK and depending on the route to completion. Substantial discounts are available to members and are detailed on the individual unit shop pages.
